Dear Father

I wrote a letter to you day
before yesterday and enclosed a check on
the same for the amount of \$275.00
Two hundred and seventy five dollars
I write this so that if you do not get
the other all right, you can let me
know, it will probably go through all
right, I wanted to send three hundred
but saved some to buy a suit of
citizens cloths, they are very high here
and perhaps I will wait untill I get
north before I buy any. I have just
"struck oil" as they tell about, or in
other words the Paymaster has been
around, we are having a change made
in the office here the Surgeon in
charge has resigned and is going home
Eliot Burch has been put into the
invalid corps I don't see myself in any
invalid corps I don't not I not at all
I am well and hearty and hoping this
may find you all as well up there I will
close my regards to all, write soon and oblige
Your son Henry Welch
